

Environment, health & safety policy

TE.MA. is committed to ensure responsible operations to achieve highest standards of excellence in terms of Environment ,Health & Safety. This is particularly reflected in our various policies and standards used as - ISO 14001: 2015 for Environment management System and ISO 45001:2018 for Occupational Health & Safety.

Towards this, TE.MA. shall continually improve the HSE performance through training, motivation and employee involvement, to:

- Continuously monitor work conditions to o Prevent employee's exposure to risk, incidents and ill health o Prevent pollution to the environment
- Continuously work on o Reducing generation of waste o Minimizing usage of natural resources in our manufacturing and other processes
- Comply with all applicable law and regulation related to health, safety and environment
- TE.MA. will proactively communicate this policy to interested parties and public to encourage their participation.
